

“Role of Students and Intellectuals in Preserving Indian Science, Language, Culture, and Heritage” in alignment with The Indian Knowledge System under NEP 2020

Date: 1st and 2nd March 2025

About The Event

SanskritiCon-2025 is a national conclave organized by Central Institute of Technology Kokrajhar on 1st and 2nd March 2025. Focused on the theme "Role of Students and Intellectuals in Preserving Indian Science, Language, Culture, and Heritage", the event aligns with the Indian Knowledge System (IKS) under NEP 2020. It aims to foster awareness and responsibility among students and scholars in safeguarding India's rich traditions, scientific advancements, and linguistic diversity. Through insightful discussions, workshops, and cultural showcases, SanskritiCon-2025 will serve as a platform to integrate traditional wisdom with modern education, reinforcing India's intellectual and cultural legacy.

About CIT Kokrajhar

The Central Institute of Technology (CIT) Kokrajhar, is a premier technical institute located in the Kokrajhar District of the Bodoland Territorial Region (BTR), Assam. Established to address the aspirations of the Bodo people, CIT plays a crucial role in preserving their cultural identity, language, and education while fostering regional economic growth. The institute provides high-quality technical and vocational education, empowering Bodo youth with the skills necessary to contribute to industry, research, and entrepreneurship. CIT Kokrajhar offers diploma, undergraduate, postgraduate, and doctoral programs in various engineering, technology, and applied science disciplines. Its curriculum integrates modern education with Indian Knowledge Systems (IKS), aligning with the National Education Policy (NEP) 2020.

As a Centrally Funded Deemed to be University under the Ministry of Education, Government of India, CIT is committed to academic excellence, innovation, and skill development. The institute actively collaborates with industries, research organizations, and academic institutions to enhance learning and research opportunities. With state-of-the-art infrastructure and a focus on holistic development, CIT Kokrajhar continues to be a center of excellence in technical education, fostering the growth of skilled professionals and leaders for the future.

Objectives of the Conclave

- Facilitate academic discussions on India's scientific and cultural heritage while encouraging student engagement in research and development related to IKS.
- Inspire innovative ideas that combine ancient Indian wisdom with contemporary advancements, promoting interdisciplinary learning and research.
- Foster collaborations between scholars, educators, and industry experts to explore how Indian traditions can contribute to sustainable development and technological progress.
- Create awareness about NEP 2020 and its emphasis on integrating traditional knowledge with modern education to build a holistic academic framework.
- Enhance teaching methodologies by engaging educators with renowned scholars, encouraging the incorporation of indigenous knowledge into curricula.
