

DEPARTMENT OF MECHANICAL ENGINEERING

Date: 17/05/2024

NOTICE

The Department of Mechanical Engineering, Central Institute of Technology Kokrajhar, in partnership with Subungthi Sibinai, under the aegis of Unnat Bharat Abhiyan, Govt. of India, is pleased to offer a free certificate course on welding. This two-month course is set to begin tentatively on May 27, 2024 (Participants may contact Workshop Superintendent for the actual date). Interested participants may register for the course by May 26, 2024 through Google form available in CIT institute website. 30 seats are available for this course and registration will be on first-come-first basis upon fulfilling the given criteria.

Key criteria include:

1. The minimum educational qualification required is class 8 passed.
2. Participants should be 18 years and above.
3. Preference will be given to candidates below poverty line.
4. 30% reservation for women will be given.

Youth from adopted villages of CIT Kokrajhar will have the opportunity to enroll in the certificate course. Upon successful completion of the course, the participants will receive a certificate. Please note that transportation and food facilities will not be provided.

Course Content:

- Introduction to welding.
- Powering on and Initiating the Arc in Welding.
- Safety Precautions.
- Familiarization with Equipment.
- Stable Stance Techniques.
- Electrode Positioning.
- Controlled Movement Methods.
- Arc Length Management.
- Practice Control Sessions.

For further details please contact Mr. Subhankar Saha, Workshop Superintendent, Department of Mechanical Engineering. Contact No. 8779908944.
